Re: Due Date for your Clients' Discovery Responses

Dear Mr. Franke:

Thank you for advising us of the possible delay in your ability to timely provide your clients' responses to the United States' discovery requests. We regretted learning about the fire at Mr. Clarke's home, but were pleased to learn that no one was injured.

In light of the circumstances, we extend until April 1, 2002, the due date for your clients' discovery responses.

Sincerely,

Annette M. Lang
